You will also be able to share information and communicate with us via email.

**Scope of Communications to be provided in Electronic Form**

Your consent to receive electronic documents covers disclosures, agreements, statements, notices, alerts and any other communications relating to your account(s) ("Communications"). At our discretion, we may provide some or all of these Communications by mail. If we choose to provide Communications electronically, we may send them to the e-mail address we have in our records for this service.

**Record Retention**

All communications in either electronic or paper format from us to you will be considered "in writing". You should print or download a copy of this disclosure and any other communication and/or notice that is important to you.

**Method of Providing Communications to You in Electronic Form**

All communications that we provide to you in electronic form will be provided via e-mail or by access to a website that we will designate in an e-mail notice we send to you at the time the information is available.

**Change of Mailing Address, Email Address, and Other Information**

To receive electronic Communications, it is important that you maintain a valid email address so that we may contact you regarding your account(s). You agree to maintain a valid email address and promptly notify us of any changes to your email address. It is your responsibility to keep your email secure and your password confidential at all times. In case your email is compromised, you are required to inform us immediately. The communication shall be interrupted instantly and reactivated once all security issues are resolved.

**Hardware and Software Requirements**

If we change any hardware or software requirements, and that change creates a material risk that you would not be able to access or retain your electronic Communications, we will duly notify you.

**Communications in Writing and requesting paper copies**

All Communications in either electronic or paper format from us to you will be considered "in writing". We will not send you a paper copy of any Communication, unless you request it or we otherwise deem it appropriate to do so.
